

CONNELL BROS
COMPANY LTD

A DIVISION OF WILBUR-ELLIS CO[®]

Our specialty ingredients distribution network has transformed Asia into a global village... all the better for our suppliers and customers.

That's because Connell Brothers' strong local presence in Asia — with full regional coverage — in a professional specialties distribution platform, is something we take pride in. More than 100 years after we opened our doors in Asia, our 34 offices throughout the Pacific Rim can provide you with an extensive portfolio of specialty ingredients. We offer support and expertise tailored to your specific needs.

- Local warehousing and logistics capabilities throughout Asia
- Expertise in working with suppliers to market existing products and develop markets for new products
- The knowledge required to deliver unparalleled innovation and technical know-how
- Emphasis on integrity, stability

Let us show you how we can support your business.
